AMOUR

Mare +- 15 years Breed: Anglo Arab
Chestnut Height: +- 15.1hh

Amour is a very sweet horse, we have used her as school pony to teach adults how to ride. She is very good with beginners and has loads of patience. She is very quiet and will happy just walk around at a steady pace. We have used her to teach Children with disabilities how to ride, and she was excellent for this. We have also used her a surrogate mother when one of our foal's lost their mother at birth. She is an overall very easy horse to keep.
